

## Batch Certificate

Certificate Number : 2507/190C/8880  
 Product Code : FlawGlo SC 190  
 Batch Number : 8880  
 Date of Manufacture : June 2025  
 Date of Expiry : June 2027

Parameters	Required		Remarks
Corrosiveness	Non-corrosive	-	Acceptable
Appearance	Transparent liquid	-	Acceptable
Cleaning efficiency	Excellent	-	Acceptable
Performance		-	Acceptable
Contaminants	% by weight of material	% by weight of residue of material	Remark
Sulfur	< 0.1 %	< 0.01 %	Acceptable
Halogen (Cl + F)	< 0.1 %	< 0.01 %	Acceptable

We hereby certify that the above batch Meets the requirements of -

- A) ISO 3452-2 Standard
- B) ASTM E165 -12
- C) ASME BPVC Section V

We further certify that this material does not contain mercury as a basic element and no mercury bearing equipment was used in its manufacture.
