

Batch Certificate

Certificate Number : 2507/175C/8875
 Product Code : FlawGlo SD 175
 Batch Number : 8875
 Date of Manufacture : June 2025
 Date of Expiry : July 2027

Parameters	Required		Remarks
Corrosiveness	Non-corrosive	-	Acceptable
Removability	Excellent	-	Acceptable
Appearance	White suspension liquid	-	Acceptable
Drying time	Less than 2 min	-	Acceptable
Contaminants	% by weight of material	% by weight of residue of material	Remark
Sulfur	< 0.1 %	< 0.01 %	Acceptable
Halogen (Cl + F)	< 0.1 %	< 0.01 %	Acceptable

We hereby certify that the above batch meets the requirements of -

- A) ISO 3452-2 Standard.
- B) ASTM E165 -12.
- C) ASME BPVC Section V.

We further certify that this material does not contain mercury as a basic element and no mercury bearing equipment was used in its manufacture.
