ARORA

Arora Technologies (P) Limited

Batch Certificate

Product Code : FlawGlo SWP 139
Batch Number : 2354
Date of Manufacture : Oct 2026
Date of Expiry : Sep 2028

Parameters	Required		Remarks
Corrosiveness	Non-corrosive	-	Acceptable
Removability	Satisfactory with water	-	Acceptable
Viscosity	5.62cst	-	Acceptable
Appearance	Dark red oily liquid	-	Acceptable
Drying time	Non-drying	-	Acceptable
Wettability	Satisfactory	-	Acceptable
Contaminants	% by weight of material	% by weight of residue of material	Remark
Sulfur	< 0.1 %	< 0.01 %	Acceptable
Halogen (Cl + F)	< 0.1 %	< 0.01 %	Acceptable

Performance test: Detect 50 micron & 30-micron cracks on Ni-Cr Panel & on Aluminium quench crack block when used with FlawGlo Developer.

We hereby certify that the above batch Meets the requirements of -

A) ISO 3452-2 Standard

B) ASTM E165 -12

C) ASME BPVC. V-2025 Article 6

We further certify that this material does not contain mercury as a basic element and no mercury bearing equipment was used in its manufacture.
